

YELLOW BIN RECYCLING

# What goes where?

Here's the skinny on what does and doesn't go in your recycling, just remember to:

**Ensure your recycling is clean and free from food waste**

**Make sure everything is loose, not bagged or tied together**

**Remove all lids from bottles and containers**

**If you have any reusable items, drop them off at your nearest EcoDrop Recycling Centre.**

## Yes please!

- ✓ Cardboard (Clean, flattened)
- ✓ Paper (Clean)
- ✓ Plastic bottles and containers (Numbered 1, 2 and 5)
